- Michael Fields:

Peer Recovery Services is very happy to announce the Lodi Wellness Center opened on April 26! Attendance has been growing steadily. Information about the Lodi Wellness Center, as well as Manteca Wellness Center and the original Wellness Center in Stockton can be found on our website: www.twcsj.org. The Lodi and Manteca City Councils each gave PRS proclamations last month in honor of the center located in their city, and May being National Mental Health Month.

More info to come, but please mark your calendar for October 10, 2023, World Mental Health Day; for our 15th Anniversary celebration, to be held at Victory Park, which includes a mental health awareness and resource fair.

7 Elements of Suicide Care

- **Lead:** Create a leadership-driven, safety-oriented culture committed to dramatically reducing suicide among people under our care
- **Train:** Develop a competent, confident, and caring workforce
- **Identify:** Systematically identify and assess suicide risk among people receiving care
- **Engage:** Ensure every individual has a pathway to care
- **Treat:** Use effective, EB treatments that directly target suicidal thoughts and behaviors
- **Transition:** Provide continuous support especially after acute care
- **Improve:** Apply data-driven, quality improvement approach

Let's Brainstorm
